LETTER OF REFERENCE

Mr Livio Singarin-Sole , born on 24 July 2003, was employed in our company from 1 October 2024 to 31 July 2025 in the Electronics Development department as a student trainee.

As a development partner to the automotive industry, the ASAP Group offers comprehensive services with a focus on the megatrends of e-mobility, autonomous driving and connectivity. We place the strategic development focus on the future-oriented technological fields of electronics development such as system integration, software engineering, virtual protection, testing and development of testing systems. We also support our customers in the areas of vehicle construction, wiring system development and CAD engineering. Our portfolio is supplemented by cross-sectional topics from project, process and quality management as well as global technical services.

Within the scope of his duties, Mr Singarin-Sole was responsible for these tasks:

- Support for the AI team in the further development of computer vision methods and pipelines
- Communication with various stakeholders throughout the process
- Derivation of specific questions from given requirements
- Extraction, transformation, and loading (ETL) of different data types
- Statistical analysis and modeling of collected data
- Programming in Python
- Visualization and communication of insights, including potential actions
- Deployment and integration of models into production pipelines

Mr Singarin-Sole impressed us with his comprehensive, wide-ranging and in-depth specialist knowledge, which he was always able to apply confidently and in a target-oriented manner in practice. Due to his very good perception, he was always able to understand complex situations immediately and to find very good solutions straight away. Mr Singarin-Sole always worked using his own initiative and completely identified with his responsibilities and our company at all times. He always displayed an impressive level of dedication and motivation. Mr Singarin-Sole was always exceptionally willing to learn. He always demonstrated resilience even in highly stressful situations.

He always completed his tasks completely independently, extremely carefully and according to a well thought-out plan. He worked calmly, thoughtfully, in a target-oriented manner and extremely precisely at all times. He continuously impressed us particularly in terms of quality and quantity. Mr Singarin-Sole was always very reliable.

Already after a short period of familiarisation, he was able to find very good solutions, even for the most difficult problems and always achieved excellent work results. Mr Singarin-Sole has always fulfilled his responsibilities to our utmost satisfaction.

He was respected by everyone for his consistently friendly and well-balanced demeanour. He was always helpful, courteous, and if necessary, he put the interests of others before his own. His personal conduct towards his line managers, colleagues and clients was always exemplary and loyal.

The collaboration with Mr Singarin-Sole was very pleasant and gratifying. We believe that he is very well-suited for his chosen profession, would like to thank him for his consistently very good performance, and wish him continued success and all the best in his future career and private life.
